

Become a leader serving as a Youth Education and Employment Training (YEET) Apprentice with Freewheelin' Community Bikes. Study bicycle mechanics, learn retail operations, mentor other youth in our shop and on rides and explore a different work environment.

Who's eligible? Youth aged 16-22 who have successfully completed the Green Apron (Earn-a-Bike) training program.

What do you get? Valuable experience and job skills in a fun, hands-on environment with the Freewheelin' crew, and a bi-weekly paycheck.

Up to 300 hours of work may be available over a calendar year.

## Freewheelin' Community Bikes YEET Apprenticeship Applicant Questionnaire

Why are you interested in becoming a Youth Apprentice at Freewheelin' Community Bikes? What goals do you have or what do you hope to learn or gain from your participation?

---

---

---

---

Among other things, you will be working on bikes, assisting customers, and teaching other youth bike mechanics skills. What knowledge, skills, experiences, or accomplishments would you bring to these tasks?

---

---

---

---

You will be working with and alongside volunteers, co-workers, customers, and youth participants. What personal attitudes, attributes, and characteristics do you bring to groups and how would you communicate respectfully with others who are both older and younger than you?

---

---

---

---

Can you commit to completing the one-year youth apprenticeship of 300 hours, including 20 hours/week over the summer and up to 8 hours/week during the school year? What other commitments (academics, sports, clubs, etc.) do you have that may make it difficult for you to fulfill this responsibility?

---
